Growing Up

-You guarantee this is a quiet room?

-Not a syllable leaks.

-Okay then, we have the weapons and you have the money. Why get them from a third party for more?

-Well, there’s still something about it…

-Not our fault you shipped most manufacturing out. Now you must deal.

-But we’re at war with you!

-So?

-Doesn’t it bother you that you’ll really be killing your own citizens?

-Grow up!
